### University Exam – General Grievances

#### Retotalling request of Theory Answer Booklets

##### Issue:

If students feel that the marks awarded in the theory university examination is less than what they have expected, there is an option of 'Retotalling' given by the affiliating university. Hence, on obtaining a request letter from the students, the same is informed to the university with a payment challan of Rs. 500. Then, the photocopies of the theory exam papers are sent from the university.

##### Samples enclosed:

Reg No. 56118234 – IV B Pharm Medicinal Chemistry II  
Answer scripts in 10-08-2015

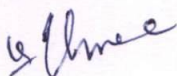

Reg No. 38108213 – III Pharm D Medicinal Chemistry  
Answer script in 22-04-2016

##### Next Step adopted:

The students discuss with their subject teachers and the HOD of that department. As the marks allotted were found to be accurate, the candidates were explained on what has to be written for that particular question. Suggestions were given for better appearance in examinations in future.

### University Exam – General Grievances

#### **Issue: Losing Hall Ticket during the time of University Examination**

Students should bear hall tickets both during theory & practical university examinations.

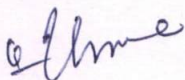

Many a time, students misplace their hall tickets and request for the same just before the exam.

In such case of negligence, the following procedure is adopted. This has been decided by Exam Committee with the consent of the Chairman.

1. Request letter to the college office
2. Penalty of Rs 100 levied for the same
3. Issue of another print out of hall ticket duly signed by Principal

**Issues in numbering in pages of each Answer booklet -November 2019 exams**

During M.Pharm November 2019 university examinations held on 26:11:19, 28:11:19 & 29:11:19, about 40 booklets were found to have reverse in numbering starting from 71 to 1. So, as per the advice given by the Deputy Controller of Examinations (Pharmacy), TN Dr MGR Medical University, the students were asked to change the order of page numbers and write from 1 to 72. Chief Superintendent was asked to sign in the first page and the last page of booklet for these students.

The TN Dr MGR Medical University, Guindy, Chennai.

25:11:2019

Respected Madam,

Sub: Printing of page no in reverse order in booklets ..... Regd

During M.Pharm university examination, Advanced Pharmacology II held in the Afternoon session of 25:11:2019 (Monday), six booklets have been found to have numbering of page numbers in the reverse order. For the entire M.Pharm exam, only 4 spare booklets have been provided for the students with Reg. Nos.

1. 261825907 (A. Karthik Aravindarajan),
2. 261825908 (M.L. Kavipriya),
3. 261825909 (M. Rajesh),
4. 261825910 (S.Vasumathi).

Two more students with register numbers also received booklets having page numbers in the reverse order numbering from 72 to 1. They are

5. 261825911 (T.Vijithroy)
6. 261825912 (S. Vishali).

So, as per the advice given by our Deputy Controller of Examinations (Pharmacy), I have asked the students to change the order of page numbers and write from 1 to 72. I have put my signature in the first page and the last page of booklet for these students.

The similar problem of reverse numbering of pages in 38 booklets has been observed for the forthcoming M.Pharm examinations that are going to be held on 26:11:19, 28:11:19, 29:11:19.

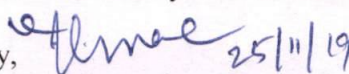

Date	Subject	Reg.No	No. of Booklets
26/11/2019	Advanced Biopharmaceutics & Pharmacokinetics (262936)	261811101 to 261811114	14
26/11/2019	Modern Bioanalytical Techniques (262956)	261830903	1
28/11/2019	Principles of Drug Discovery (262987)	261825903 to 261825912	10
29/11/19	Cosmetic & Cosmeceuticals (262938)	26183102 to 26183114	13
Total no			38

Similar procedure will be adopted for the remaining 38 booklets. This is for your kind information and further action.

Thanking You,

Yours truly,

Dr.K.Umaa (Chief Superintendent)
