1. About us

P.S Govindasamy Naidu & Sons' Charities has ninety six years of legacy in education and industry in our country. The PSG group of institutions specializes in providing comprehensive teaching - learning facilities in a spectrum of educational fields, starting from kindergarten to centers of higher education and research in Arts, Sciences, Engineering, Management, Medicine, Pharmacy, Nursing and Physiotherapy.

PSG College of Pharmacy, established in 2001 is housed in a 90 acre, sprawling campus at Peelamedu, Coimbatore, along with other medical institutions. Constant interaction with other sister institutions like PSG Hospitals, PSG Institute of Medical Sciences & Research, PSG College of Technology and PSG College of Arts & Sciences has made this college unique with a blend of technological advancements and health care activities. It is one among the very few pharmacy colleges in India to have ISO Certification and recognized as Scientific and Industrial Research Organization by DSIR, Ministry of science and technology, New Delhi.

PSG College of Pharmacy has been ranked 37th among Pharmacy colleges in the top rankings of National Institutional Ranking Framework (NIRF), prepared by MHRD, Govt. of India. It has also been accredited with 'B' Grade by NAAC (1st cycle).

Attendance requirement

For B.Pharm & M.Pharm each semester shall consist of not less than 100 working days. The odd semester shall be conducted from the month of June/July to November/December and the even semesters shall be conducted from December/January to May/June in every calendar year. **A candidate is required to put in atleast 80% attendance in individual courses considering theory and practical separately.**

For Pharm D each academic year shall consist of not less than 270 days(inclusive of the University exam days). **A candidate is required to put in a minimum of 80% of attendance in both theory and practical separately in each subject before admission to the examination for all the years to study in the Pharm.D & Pharm.D. (Post Baccalaureate) Degree Courses of this University.**

Note:

- ★ Minimum percentage of attendance is required separately for theory and practical in each subject.
- ★ Only those students who meet the above requirement in all the subjects each year will be eligible to appear for University examination as well as the sessional examination.

Leave

Students who wish to avail leave for themselves should submit the leave application to their respective class coordinator. The coordinator will monitor the attendance and punctuality of students. In case of irregular attendance, the parent of the student will be informed. Disciplinary action will be taken if the reasons claimed by the student or his parent are not satisfactory.

A student who is abstaining from classes in one or more subjects (theory or practical) continuously for ten classes, without prior sanction of leave by the Principal will be terminated from the college without any notice.

Punctuality

Students should be present in the classroom at the scheduled time. A grace period of 5 minutes will be granted to the students and those students who come late by more than 5 minutes will not be allowed to attend the classes.

Uniform

Students are expected to wear the uniform while coming to the college. A fine of Rs. **50/-** per day will be levied as penalty for not wearing uniform / overcoat. Students should come in shoes and should have their ID card.

Library

Students should make the utmost use of the library facilities. A minimum of 2 books can be taken from the library for not more than 7 days. Library will be opened from 8.00 A.M. to 12.00 midnight throughout the year. Locker system is provided in the central library. The locker can be given to the students and it should be renewed every month.. The key for the locker is available with the librarian and it can be obtained by showing the college identity card.

Practical Classes

It is advised that students should come to the practical classes by preparing themselves with adequate information regarding theoretical principles. Observation, reading, calculation and result of each practical should be recorded in the observation book and on the next day it should be written in the fair record book and the teacher will value the record. Marks will be given for each exercise which will form the basis of internal assessment mark for record work.

Costly glass apparatus and equipments are being supplied to the students and the market price of each item will be levied from those who break the glass wares or instruments. For this, a breakage register will be maintained.

Fine will also be levied from those who misuse weighing balances, weight boxes, instruments etc,

3. Code of Conduct

- All students are advised to adhere to the respective dress code of the college.
- Observance of dress code is compulsory for academic and allied activities in the campus.
- Students should display their identity card prominently when they are within the campus.
- Students should be punctual in attending classes and other co-curricular and extra-curricular activities. Late comers will not be allowed to attend the classes and disciplinary action will be taken.
- Students should not leave the campus premises during the class hours without the permission of Principal or HOD.
- Students will be responsible for all the equipments entrusted to them and they should not cause any damage. Apart from this in any damage, lab breakages the actual cost will be recovered from the student along with the fine.
- Use of Mobile phones is prohibited inside the campus and if found it will be confiscated.
- The decision of the Disciplinary Committee is final and binding on all the students in all matters of conduct of classes and students discipline.

4. Ragging

Introduction

What is ragging?

“Any disorderly, whether by words spoken or written, or by an act which has the effect of teasing, treating or handling with rudeness any other student, indulging in rowdy or undisciplined activities which causes or is likely to cause annoyance, hardship or psychological harm or to raise apprehension thereof in a fresher or a junior student or asking the students to do any act or perform something which such student will not in the ordinary course and which has the effect of causing or generating a sense of shame or embarrassment so as to adversely affect the physique or psyche of a fresher or a junior student” Hon'ble Supreme court.

Thus, ragging includes:

- Act of physical and sexual abuse, homosexual assault, stripping, forcing obscene and lewd acts, gestures, causing bodily harm or any other danger to health.
- Act of abuse by spoken words, emails, snail-mails, public insults, perverted pleasures, vicarious or sadistic feel from actively or passively participating in the discomfiture to others.
- Exploiting the services of junior students for completing the academic tasks by the seniors.

- Act of financial extortion or forceful expenditure.
- Any act that affects the mental health and self confidence of students

**Terms of Punishment of
Ragging Categories of
ragging and punishment**

a. Verbal Ragging

When senior causes mental harassment, discomfort for the junior by forcing him/her to answer unacceptable/personal questions, dance, sing, etc. is said to rag the junior. It also includes within its ambit cyber ragging.

♦ **Punishment:** 1 year imprisonment or fine or both

b. Severe Verbal Ragging:

Where the mental harassment, discomfort is to such an act as forces the junior to withdraw from the college

♦ **Punishment:** 7 year imprisonment with fine.

c. Physical Ragging:

Any act by the senior towards the junior which inflicts bodily injury on the junior. Like beating the junior, hitting him/her with objects etc.

♦ **Punishment:** 7 year imprisonment with fine.

d. Sexual Ragging:

Where the senior asks the junior to do an act which damages sexual dignity of the junior.

♦ **Punishment:** 7 year rigorous imprisonment and fine.

In order to prevent Ragging the following measures are enforced

- A. To provide assurance to the applicants of the course that the campus will be a ragging- free campus by publishing all the measures in prospectus and application form
- B. To constantly monitor the college, the hostel and the campus
- C. To award extreme punishment to the offenders
- D. To provide a fearless atmosphere to the freshers to report any case of ragging
- E. To Educate the seniors, freshers and the parents about Ragging, its ill effects and consequences
- F. To provide the phone numbers (including mobile phone numbers) of the concerned faculty members so that reporting of ragging cases becomes easy
- G. Also to publicize the fact that complaints can be made directly to the police

To execute the above objectives the following committees have been formed

a. Appellate Body

The appellate body will take the final decision on any punishment awarded for ragging in the college. A convicted student along with his/her parent can apply to the appellate body for revision of the case disposed by the Anti Ragging Committee of the College.

The Members of the Appellate Committee will be

7. Student welfare activities

Student Council

The Student's council is an association comprised of representatives elected by the students of PSGCP. The council was established in 2008 under the guidance of the faculty and runs under the basic principle of "Students Welfare". The council was constituted to encourage the students to take part in extra curricular activities other than their dedication to academics. It conducts annual college activities like culturals, sports, college day, graduation day and also organizes student's welfare and developmental programs such as seminars, welfare activities, personality development, career opportunity activities, etc. These activities enable the student to develop leadership qualities, organization and communication skills. Care is also taken that the maximum number of students take part either directly or indirectly in the functioning of the Students Council.

Mentorship

Student Counseling Cell has been established to provide individual attention and guidance to the students in solving their specific problems related to academics, personal, psychological etc. so that they are able to achieve academic excellence, develop an integrated personality during their stay on the campus. A maximum of 3 to 4 students (B. Pharmacy / Pharm D) will be allotted to each teacher from a class and the students can obtain guidance and proper advice from that teacher.

The deviations of the individual students and the drawbacks identified by the faculty/mentor and the remedial actions are taken immediately and the parents are also briefed if necessary and accordingly.

Hostels

Mr. M.Ram Pravin Kumar, Asst. Professor and Dr.G.Syamala, Associate Professor are wardens for pharmacy students who will look after facilities and the problems of the hostel mates. The rules & regulations of the hostel should be followed strictly.

Sports, Games and Physical Training

Mr.P.T.Palanisamy, Director of Physical Education, will provide adequate coaching in sports & games. Facilities are available for physical and games training. Students have to attend the training classes conducted once in a week in sports uniform which will be supplied from the stores at a nominal cost.

N.S.S. Unit

N.S.S. Unit attached to The Tamilnadu Dr. M.G.R. Medical University, Chennai is functioning. It is proposed to conduct various socially relevant programs.

Mr. D. Sivakumar, NSS Programme Officer will organize various events.

Voluntary Blood Donors Club, Red Ribbon Club & Youth Red Cross Unit

Voluntary Blood Donors Club, Red Ribbon Club and Youth Red Cross Unit are engaged in various community linked activities.

Nature club

It aims at creating awareness among the students about the importance of nature and to preserve the rural characteristics and natural diversity of the threatened spots & species.

Sir Raman's Science club

An active and fully functional Sir Raman's Science Club has been established to provide opportunities for students to explore science. The science club focuses on enriching students' lives through extracurricular activities related to recent trends in pharmaceutical science and it allows students who share a common interest in the sciences to get together outside of classroom hours.

The club works to build a budding scientist community at the college by organizing seminars, quiz competitions, debates etc.
