

**PSG College of Pharmacy, Coimbatore-641004**  
**Hospital Pharmacy Training Program Report 2015-2020**

The main objective of the program is to enrich students with essential skills, practical knowledge and experiences. The training program shall expose the students to real work environment and prepare them for future career opportunities. The program is organised for final year B.Pharm students. The student's area of interest is obtained by the committee and a two week training program during summer in various hospital and community pharmacies is arranged by the institution. After the training program has been completed the students present their experience during the training period to the faculties and their classmates. The students were also advised to submit a certificate endorsing their training in pharmacy from the year 2018 onwards.

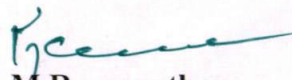

**The list of students who attended the hospital training program during the last 4 years has been enclosed below:**
