BEST OUTGOING STUDENTS

You are not going to get far in life based on what you already know; instead you are going to get far in life based on what you learned from here and how you are going to apply it in life. There is only a small difference between the real life and college life, In college life they will teach a lesson first and they will conduct a test. But in real life, It will give us a test first, then it will teach a lesson from that! So, never stop learning; Because the life never stops Teaching us.

Mr. Ram Pravin Kumar M, B. Pharm 2012 Batch

Heart felt gratitude to God, beloved Parents and all the teaching & non-teaching staffs without whose support it wouldn't have been made possible. Thanks to my extended family: my friends and my juniors. "Take every chance and drop the fear, Eventually it will bring you the victory"

Ms. Hema.P, Pharm D 2011 Batch
