

**PSG COLLEGE OF PHARMACY
STUDENT COUNCIL-2018-2019**

The council introduced **EAT (ENGLISH ASSESSMENT AND TRAINING PROGRAMME)**, in order to help students improve the vocabulary and communication skills. Students were divided into 3 groups. Each group had a team leader leading them along with other volunteers.

The session was divided into three parts. Students were first asked to self introduce themselves, with their name, hobbies, ambition and purpose of choosing the course in English. Later the second part was to explain a scene from a English movies and and tamil movie. This was done to know their level of understanding the language.

The last part was made interactive, so that students could interact with each other. Games like Chinese murmur, story developing and tongue twisters were included in the session.
