f. **TTI** have represented that they have installed and running the medical waste treatment and disposal facility with state of art technology, machinery, equipment, infrastructure and also necessary permission and licenses' required therefore including from the Tamil Nadu Pollution Control Board.

g. Now this Memorandum of understanding witnesses.

1. In consideration of the above recitals and in consideration of terms and Conditions set out herein and in consideration of the charges agreed to be paid to **TTI** as setout in the Memorandum of understanding for collection of Bio Medical Waste, **Occupier** hereby enter in to agreement with **TTI** for collection and disposal of bio medical waste from its premises.
2. This memorandum of understanding shall be valid for a term of **S(FIVE)** years, from the date of agreement. The parties may mutually extend the term for such further term as may be agreed. This agreement shall be ordinarily in force for the demised duration as set out in the agreement unless terminated earlier pursuant to clause 4 herein and clause 10 below. Any agreement executed before this date is considered null and void.
3. **Occupier** during this term of memorandum of understanding shall not enter into any arrangement or agreement, with any other party or organization for bio-medical wastes treatment or disposal or handling.
4. **Occupier** agrees to pay the charges due to the **TTI**, punctually and periodically for collection and disposal as per Annexure - 1, which shall form the essence of contract and **TTI** shall not collect medical waste if payment obligations are not fulfilled punctually as per Terms of Annexure - 1, and shall be at liberty to discontinue its service and or to terminate the agreement on that count with due intimation and one month in advance to **Occupier** and to Tamil Nadu Pollution Control Board.

5. **TTI** agrees not to levy any extra charges other than the charges agreed as per the Annexure - 1 which forms part of this Memorandum of understanding. Payment charges and terms to **TTI** shall be as per Annexure - 1 set out hereto Annexure - 1 shall be read as part and parcel of this memorandum of understanding.
6. Any price escalation in diesel by the Union Government of India or State Government of Tamil Nadu will attract price hike in Bio-Medical Waste collection charges by **TTI**.
7. Any Price Escalation other than diesel will be as per price hike terms as set out in Annexure - 1 which forms part of the Memorandum of understanding.
8. Any additional infrastructure to be set up if required by Tamil Nadu Pollution Control Board rules and amendments on a later date and resulting price hike will be decided on mutual consent by the concerned individual health care establishment (occupier) and **TTI**.
9. **TTI** agrees to collect Bio-Medical Waste handed over promptly and regularly from the premises of the **occupier** at specified time schedule to dispose as per Pollution Control Board norms. It is agreed that **TTI** shall not delay the collection of Bio Medical Waste and even in the event of **TTI** not being able to collect and dispose of the medical waste as agreed; they would make alternate arrangement for the due collection of the Bio Medical Waste from the hospital of the **occupier** as agreed. In the event of Road Block, Strike, Public Holiday, Natural calamity **TTI** will not be held responsible for non collection of waste.
10. If Bio Medical Waste not collected within specific time period as agreed upon to comply with Pollution norms **Occupier** can send written notice **TTI** asking them to remedy the breach. If breach is not remedied within 7 days of service of such acknowledged notice, **Occupier** can terminate this agreement with **TTI**. In the event the **Occupier** terminates this contract before the expiry of the date of this agreement on his own, the **Occupier** is liable to pay a compensation for breach of the contract as per decision of Arbitrator and also forfeits the Membership Fee as set out in Annexure - 1.

11. **Occupier** has **450(FOUR HUNDRED AND FIFTY ONLY)** numbers of beds as on this day of Memorandum of Understanding. The exact number of beds will be taken into account as per the latest declaration given to Tamil Nadu Pollution Control Board while obtaining authorization by Occupier. Any alterations in bed strength shall be immediately reported to **TTI** and Tamil Nadu Pollution Control Board.
12. The exact number of beds strength to be assessed on actual bed Strength basis is to be determined by **TTI** and representative of individual establishment (occupier) upon physical verification and will be subject to scrutiny at any time on a later date by **TTI** or Tamil Nadu Pollution Control Board. In the event of Occupier increasing in number of beds in their Hospital, TTI shall make arrangements to collect the Bio Medical Waste in respect of such additional beds installed at the Hospital.
13. **TTI** agrees to impart common training to all Hospitals and staff of **Occupier** to handle, segregate and store bio medical waste as per the guide lines issued by Tamil Nadu Pollution Control Board.
14. It shall be the duty of the **occupier** to segregate the bio medical waste from others and to deposit the same at clearance point specifically labeled and in a distinct container, as soon as practicable, in compliance with sub rule 1,2 and 5 of rule 6 of the bio - medical waste Rules - 2000 and color code adapted. For any lapse, breach, default of non-compliance by the **occupier** of the said provisions and for any consequences arising there from TTI shall not be liable and absolved of any responsibility.
15. **TTI** will insist on purchase of bar - coded non - hallucinated color Bags or coded bags as per specification insisted by **TTI** on cost basis as mutually agreed by both parties. **TTI** will not take responsibility in case of any complaints/spillage out of bags/ containers not purchased or coded from **TTI** in the best interest of services provided. **TTI** has offered discounted Price for waste collection, disposal charges as per Annexure 1 inconsideration of Bags to be purchased from **TTI**.

16. **TTI** will collect all categories of bio medical waste which also includes infectious waste sharps, plastics and glass. The above autoclavable waste should not be disposed locally or sold to any third party which is an offence under the rules and regulations of Ministry of Environmental and Forests. IV Plastic saline Bottle is classified under Bio Medical Waste. Non disposal of plastic IV saline Bottle through **TTI** will be considered as breach of agreement (MOU) and **TTI** will not be responsible for non compliance by occupier. **TTI** will not collect general garbage or kitchen and sanitary waste. **TTI** will not collect waste that is not segregated or properly packed as per the color code. The waste should be handed over at a single point for collection at a specified time of vehicle arrival.
17. Invoice will be raised on monthly basis by **TTI** and the payment shall be made within 15 days of receipt of the bill by the concerned healthcare establishment. Any deviation or undue delay caused in this regard will attract penal interest.
18. **TTI** will issue a service certificate and proof of waste collection from Occupier on regular basis. This will help the individual establishment for obtaining authorization from Tamil Nadu Pollution Control Board to comply with the norms.
19. **Occupier** shall co-operate with **TTI** Personnel for adherence to the time Schedule as agreed and in all aspects of collection and Transport of Bio-Medical waste at their premises.
20. **TTI** shall acknowledge (sign) receipt countersigned by both parties at the Time of handing over the waste. Occupier shall co-operate with **TTI** personnel in all aspects of collection and transport of Bio-Medical Waste at their premises. The acknowledgement of countersigned receipt will be compulsory on part of **TTI** to individual Hospital as proof of entry and collection.
