About the College

PSG College of Pharmacy has been started in the year 2001 under the PSG & Sons' Charities trust. It offers D.Pharm, B.Pharm, M.Pharm, Pharm.D and Ph.D programmes. College has been ranked for the last 5 years by NIRF (National Institutional Ranking Framework) declared by the Ministry of Human Resource and Development, Government of India. Extensive research and teaching learning process inculcated by faculty and excellent infrastructure helped to achieve this milestone.

About Faculty Development Program (FDP)

The main objective of the FDP is to educate the educators in integrating ICT in their teaching and learning process. The workshop covers three major aspects. They are Technical aspects of e-content – Utilization of automated tools for the release of contents, Evaluation pattern – Quiz, video based assignments, interactive e-contents and Creation of virtual labs based on the course domain/curriculum. This program aims to train the faculty in understanding the various challenges of designing, developing and implementing E contents. The FDP also involves hands-on on e- content development and evaluation pattern. The FDP also covers different aspects on developing MOOCs and the challenges involved while developing MOOCs.
