ABOUT THE COLLEGE

PSG College of Pharmacy was established in the year 2001 and is one more jewel in the crown of the PSG group, who are well known for their commitment to high standard education. The college of Pharmacy, which has now completed 21 years of existence and commitment to excellence in Pharmacy Education, is located adjacent to PSG Institute of Medical Sciences and Research, Peelamedu in Coimbatore city, which is blessed with a temperate climate and excellent living condition.

About the seminar

The seminar was to equip the research scholars with set of skills and potentiality to undertake the research very effectively in the disciplines of Pharmaceutical science and to turn completed research into publishable material of high quality in the form of articles, journals and books. The seminar intends to deal with variety of quantitative and qualitative research methods used in Pharmaceutical science researches.

Objectives

- ❑ To provide a clear plan of the research, based on independent and dependent variables, and to consider the cause and effect evoked by these variables..
- ❑ To help the investigators to clarify their thoughts and to think about their project to forward research fundings.

Instructions

- ❑ PG Students ,research scholars & faculty members from PSG College of pharmacy .
- ❑ No registration fees .
