## REPORT

# AWARENESS PROGRAM ON USAGE AND CONSERVATION OF LIQUIFIED PETROLEUM GAS [LPG]

DATED ON : 15 December 2021

TIME : 11.00 am

PSG College of Pharmacy, Coimbatore in association with Petroleum Conservation Research Association, Chennai organized a guest talk on Usage and Conservation of LPG at the institute premises on 15 December 2021. Mr. A. Sheikdeen, an expert Petroleum Conservation Research Association demonstrated the safety aspects of LPG. Nearly 40 girls from III B. Pharmacy and III Pharm. D attended the program.

Speaking at the event as resource person Mr. A. Sheikdeen said the impacts of import, vehicle pollution, carpool system, use of LPG with the impact on the environment and economy. Safe procedures were mentioned with certain examples of accidents due to improper usage of LPG.

We thank the institution for this opportunity and for a part in reducing the existing crisis related to petroleum products.
