Principal

Who gets asthma?

- Asthma tends to run in families, which means that a person is more likely to develop asthma if someone in your family already has it.
- Children with eczema or food allergy are more likely than other children to develop asthma.

AstraZeneca

Welcome to Project iDEA 2022

Hello and welcome to AstraZeneca Asia Area Project iDEA community!

Project iDEA is created as part of our contribution to the broader society, providing students the equal opportunities for learning and growth.

Got questions?

We will be hosting 2 virtual sessions to share more information about the disease area and to address your questions about the Challenge, do make time to join us!

Project iDEA Challenge Live Q&A (in English): Our AstraZeneca Regional Medical Advisor, Dr. Vybhavakrishna will share about the disease area and the key information

- Date: Tuesday, 7th June 2022
- Time: 16:00-17:00 (Taiwan and Malaysia Time) / 13:30-14:30 (India Time)
- Zoom Link: <https://qr.short.az/ProjectiDEA2022ChallengeWebinar>

Project iDEA Challenge Live Q&A (in Mandarin): We have Dr. Tseng Ching-Min, Division of Chest Medicine, Cheng-Hsin General Hospital, who will present information about the disease area

- Date: Tuesday, 7th June 2022
- Time: 17:00-18:00 (Taiwan and Malaysia Time) / 14:30-15:30 (India Time)
- Zoom Link: <https://qr.short.az-ProjectiDEA2022ChallengeWebinar>

You only need to join one of the sessions.

We are still open for registration **until 10th June**, do share with your friends who are keen to be part of Project iDEA 2022!

All the best and we look forward to receiving your submission!

*You have to be currently studying, as an active undergraduate or post-graduate student, in a college or university in India, Taiwan or Malaysia to participate in Project iDEA

**In line with AstraZeneca's product disclosure policies we must note that any statements made in the material regarding diseases or AstraZeneca drugs are solely for educational purposes. They are in no way intended for advertisement or marketing of said products.

All students are welcome to join the webinar and have their queries solved.

Looking forward to meet you all in the session!

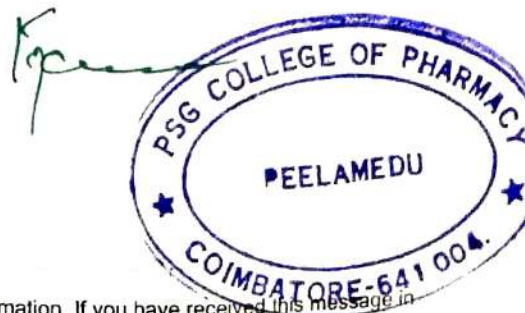

Regards,

Ekta Sangtani

Date and venue 23rd June 2022 from 11.00 am – 1.00 pm.

Summary:

The objective of the program was to provide an overview and future perspectives on Pharma Data Analytics and Management. The session was initiated with the introduction of Mrs. Suchitra Eswaran, Senior VP, Course5i, USA. by Dr.S.Subramanian, Department of Pharmaceutics. The outgoing students of various programmes attended the session and felt that the session was very useful and highly informative. The session emphasized on the skills required for the data science in pharmaceutical industry. The students interacted with great interest to know on the scope of data scientist in pharmaceutical industry.
