Good

Nothing

Hostel facilities can be improved.

Noo

Providing Better knowledge and discipline to students

Classrooms for 5th and 6th years of pharmD students. More placement opportunities is needed

Allocate classrooms especially for 5 th pharm D , Updated the syllabus atleast once in 5 years

Class room for all years

More participation in hospital with doctors

Update of syllabus

More stimulation classes (injection administration)

Posting in emergency medicine

Stipend for interns

Everything good...

Ok good

Please provide proper classrooms for Pharm D students. Career guidance classes can be arranged like about other country exams courses etc. Can provide internships other than clinical pharmacist post like industrial internships etc.

Nil

Nope

-

Improvement in hostel facilities required

The academic year is lagging so much.

Quality education and well interaction and career guidance

None

As a student, I must request the management to address this issue. Either a slight reduction in hostel fees should be granted, or I should be allocated a single room, as the current payment doesn't seem justifiable.

Teaching quality going so worse, we need more practical related knowledge

No transport and other infrastructure facilities for dayscholar students..

No comments

Nil

nil

Permission for ground to play cricket match with my classmates

No

Nothing

Please give safety for the students belongings

Nopw

Try to improve hostel water facilities both drinking and using water. No water during weekend when we use them most. Drinking water smells weird and people are getting sick drinking that.

Improve hostel facilities

Hostel fee is too high

Improve food quality in hostel mess

Hostel food was not fine and good. Our classroom environment was not convenient for us.

Change hostel food menu

Hostel facilities is not good ...

PIC can't understand

Improve more extra curricular classes like Languages teaching , competitive exam preparation , coding and skill development classes

Good and clean
