No other culture on the planet has the variety of weaves that India has!!!

Learning new things is one's personality. So learn to keep your own surrounding clean and healthy!!  
Clean India! Green India!!

IF YOU CAN'T CLEAN YOUR SURROUNDING THEN DON'T MAKE IT DIRTY.

We cannot always build for the future for our youth, but we can build our youth for the future. Youth is the trustee of Prosperity!!!

BE A PART OF THE SOLUTION NOT PART OF THE POLLUTION

THE WORLD IS A DANGEROUS PLACE. NOT BECAUSE OF THOSE WHO DO EVIL, BUT BECAUSE OF THOSE WHO LOOK ON AND DO NOTHING.

OVERCOMING POVERTY IS NOT A QUESTION OF CHARITY. IT IS THE PRACTICE OF A FUNDAMENTAL HUMAN RIGHT: THE RIGHT TO DIGNITY AND A DECENT LIFE.

LET'S ARREST THE 'POLLUTION' BY 'GREEN REVOLUTION'

Ignite the flame, Erase the blame- Poverty end. 'A COLLECTIVE AIM'

Clean India should be our basic idea. Clean India is a choice, made of our choice!!

Clean India Green India!!

India is our identity, make our identity green. Let's join our hands to make the nation be a better future.

AS THE RAILWAY LINES STRETCH AND BUS ROUTES MULTIPLY, INDIA UNFOLDS ITS CHARTERS ON PROGRESS ALONG THE TRACKS AND ROADS

LET'S GO GREEN TO MAKE OUR NATION 'GLOBAL GREEN'

Poverty is the Only Enemy
